Each team is limited to rostering 5 Team Officials (i.e. Head Coach, Trainer, Asst Coaches), including the Manager. Additional team officials may be obtained for **\$59.00** per card through the Registrar.

All Coaches and Managers, including “On Ice Helpers” (OIH), must provide a Police Vulnerable Sector Check. ALL OIHs must have the minimum Alliance coaching certification equivalent to what is required to Coach and be an Assistant Coach at the level at which the individual is assisting. Cost is the individual's responsibility and is an acceptable expense item for the team budget.

ON-ICE HELP (OIH) (Over the age of 18)

There is an **On Ice Help Roster** for anyone who wishes to help a team at practices. The Huskies' Registrar administers this list. The Registrar and or Director of Hockey Operations must approve all OIH applicants.

Suppose you have someone who has volunteered to be an On Ice Helper. In that case, the following information is needed to get them on the list:

All OIHs must complete the online Registration Information & Mandatory Waivers Form.

- **Available on the Huskies website under Administration, Team Administration forms.**

Also, they are not registered as players or team officials on a current team registered with Hockey Canada. In that case, they must do the following:

And, if they are not part of the five coaching staff allowed for each team, there is a **\$59.00** fee for insurance for each staff over and above the five allowed per team. (See above, Team Rosters)

Hamilton Huskies supports using registered players as On-Ice Helpers at your practices. Registered players must **ALWAYS** be in complete hockey equipment if they are helping at another team's practice.

On-ice helpers must be at least 12 and two years older than the team they are helping at practice.

Note: Only team officials on the approved official team roster can be on the bench during games (this does not include on-ice helpers). Should a non-rostered individual be on the bench for the game, the Hamilton Huskies Hockey Club will immediately suspend the head coach for Three (3) games in addition to any applicable OHF suspension. Second offences may result in further discipline, including removal from the Official Team Roster.

Deadline for submissions: **AA/A teams - November 1; BB/B teams - November 15.**

The Alliance AP form will be used to submit a list (found under Administration, Team Administration Forms on the Huskies website).

- (2) Call the players directly regarding playing up.
- (3) Once the requirements are met, inform the Coach or a staff member when and which players will be used from his team.

Any coach playing a player in a game that is not **APPROVED** on his roster will lose the opportunity to AP any players for the balance of the season.

Rostered Hamilton Huskies Players who attend practices do not need to appear on your AP List. The list only pertains to players who play games with your team. AP Lists can be amended as per the Registrar and Development designate. The Registrar will determine the date in conjunction with the Development designate.

HUSKIES GAME PLAYING TIMES vs. ALLIANCE MINIMUM

Please note that we sometimes provide more than the Alliance minimum game playing times. However, you can never complain to another association regarding their playing times as long as the Alliance minimums are met.

ALLIANCE MINIMUMS:

5.1 Length of Games in the Regular Season (Pavilion, Seeded: Constellation, Bristol):

The minimum game time is three (3) stop periods, totalling thirty (30) minutes of playing time. Centres should provide sufficient ice time for the following playing times, excluding resurfacing time. All Representative teams should be ready to play fifteen (15) minutes before the originally scheduled game time.

| Level | Suggested | Minimum |
|--------------|------------------|------------------------------------|
| | Ice Time | Period Lengths |
| U9 | 50 minutes | 10 - 10 - 10 |
| U10 | 60 minutes | 10 - 10 - 15 |
| U11 to U14 | 80 minutes | 10 - 15 - B - 15 |
| U15 | 110 minutes | 15 - 15 - F - 15 |
| U16 Seeded | 110 minutes | 15 - 15 - F - 15 |
| U16 | 110 minutes | 15 - 15 - F - 20 |
| U18 Seeded | 110 minutes | 15 - 15 - F - 20 Curfew Mercy Rule |

*Break is defined as a 2-minute maximum

Warm-ups: The Referee will blow his/her whistle with thirty (30) seconds remaining. At that time, teams need to pick up their pucks and complete their final skate before the start of the game. In games with no flood between periods, the timekeeper shall put one (1) minute on the clock at the end of the period and allow it to run down to zero when the teams are ready to start the next period. A bench minor could be assessed if a team delays the game too long.

Post-Game Handshake: For all ALLIANCE Hockey Representative games (AAA, AA, A, BB/B), coaches and players will meet at centre ice and shake hands after the game, unless at the discretion of the referee(s) it is inadvisable to do so for reasons of participant safety. For all ALLIANCE Hockey Representative (AAA, AA, A, BB/B) Playdown and Playoff series at U14 through U18, the players and Team Officials will shake hands upon the conclusion of their respective series.

U18 AAA & U18 Seeded Mercy Rule: This applies to the third period when the difference in score is five (5) goals or more. The game clock shall revert to running time until the period's conclusion. If a timeout is called, the clock must be stopped for the timeout and start again at the drop of the puck. (If the difference becomes less than five (5), the clock still runs straight time.) (Mercy Rule will not apply to Playdowns.)

BB & B - Length of Games in the Regular Season (BB-B):

| Level | Suggested Ice Time | Minimum Period Lengths |
|--------------|---------------------------|-------------------------------|
| U8 to U13 | 50 minutes | 10-10-10 (minimum) |
| U14 and up | 60 minutes | 10-10-15 |

Warmups: At the start of the game, warmups, including handshaking ceremonies, are limited to at most three (3) minutes. The Referee will blow a warning whistle after 2½ minutes. Immediately after the three (3) minutes have elapsed, the teams will line up for the opening face-off, and the Referee will drop the puck to start the game.

Curfews: League play: If a game could be curfewed, the finishing time must be on the game sheet before the start of the game, and a responsible official from each team must acknowledge the curfew on the game sheet. Due to the Rule Emphasis implementation by Hockey Canada in 2006 - 2007, all games have the potential for a Curfew.

Playdowns and Playoffs: Sufficient time should be scheduled without curfews. If a curfew is imposed in a playdown game, the Executive Committee will decide whether to complete the curfew game.

U18 BB-B Mercy Rule applies to the third period when the score is five (5) goals or more. The game clock shall revert to running time until the period's conclusion. (If the difference in score becomes less than five (5) the clock still runs straight time.) (Mercy Rule will not apply to Playoffs or Playdowns). With Rule 5.1.5.1.2.3 applying for penalties.

BB-B Tie-Breaker: In BB-B hockey, where the league is not seeded, the first tie-breaker for playoff or playdown seeding determination will be the Regular Season final standings. If teams are tied during regular season standings, refer to 7.0 and apply a tie-breaker to round-robin playoff competition to break the tie.

GAME SHEET COLLECTION:

For the 2024-25 Season, game sheets, paper and electronic, will be monitored by the Huskies Web Admin (Gary McFarlane) email to: webadmin@hamiltonhuskies.ca

Exhibition games:

Electronic Gamesheets will be used for HOME exhibition games. Be sure to have paper game sheets on hand for emergencies. For any home exhibition game played at Chedoke or Parkdale that utilized a paper gamesheet, the timekeeper must deliver the GS to the Huskies' mailbox for collection.

Your team is responsible for delivering any exhibition paper gamesheet played at a venue other than Chedoke or Parkdale to the Huskies mailbox at either Chedoke or Parkdale.

For all exhibition games away, you are responsible for delivering the copy you receive to either Huskies' mailbox for collection.

All exhibition game sheets must be submitted ASAP – No exceptions.

League games:

With electronic game sheets for all home league games, there is only a need to submit any home league game sheets if technology forces the use of paper. Each team will be issued passwords to access their game sheets anytime throughout the year. The Huskies ice scheduler also has access to all teams' game sheets for the league if electronic GSs are used.

Tournament Game Sheets:

Some tournaments also use electronic GS. If a tournament uses these, you must **provide the invite code to the Huskies Web Admin to obtain game sheets.**

If a tournament uses paper GSs, you must hand in the GSs you received at the tournament.

TOURNAMENT GAMES/SCHEDULES

All scheduled tournament games must be listed on your site once you receive your tournament schedule, and scores must be posted upon tournament completion. You can and should input your tournament games. If necessary, contact the webmaster/administrator for help.

Collection of Game Sheet Timelines – EXCLUDING ON-LINE GAME SHEETS

- If a paper copy was used, away exhibition game sheets should be available within 24 hours of the game's completion.
- If paper copies were used, tournament game sheets within 72 hours of tournament completion.
- **If there are unforeseen circumstances with game sheets, notify the Web Admin immediately. We did not receive your copy due to bad weather and couldn't meet the required time frame for collection.**
- **The timelines set out above are firm, with no exceptions. Failure to comply will result in the Head Coach receiving a one (1) game suspension. This penalty will also be progressive.**

Huskies Mailboxes:

For your convenience, there are two locations for dropping off game sheets:

- Chedoke Arena, located in the hallway outside the Referee's room.
- Parkdale Arena, located beside the Zamboni entrance.

HOCKEY CANADA/OHF/ALLIANCE RULES-SUSPENSIONS

You should be aware of the basic playing rules. i.e. major penalties, game misconduct, etc. Most of these rules are to be enforced by the team, and it must be recorded on the game sheet if any player or coach is suspended and if it is 1, 2 or 3 of the number of games he/she is suspended for.

Each team manager and coach ensures players sit out their appropriate suspensions. When in doubt about the relevant suspension, sit the player(s) in question until clarification can be obtained.

Any Manager or Trainer who receives a GM20, GM21 or any other suspension will be suspended by the Hamilton Huskies Hockey Club. The number of games assessed will be the same as the minimum OHF Suspension guidelines and will be assessed after the OHF suspension is served.

THE REFEREE ROOM IS OFF-LIMITS TO ALL STAFF AND PLAYERS

2024-2025 OHF Minimum Suspension List – Minor Hockey

The 2024-2025 minimum suspension list will be sent to all teams once received from the OHF/ALLIANCE.

CONDUCT & DECORUM

- The City of Hamilton has adopted a **"zero-tolerance policy"** concerning violent or abusive behaviour in its facilities. Please ensure your players, parents, and coaching staff know this policy.
