

Dear Hockey Families,

The City of Hamilton has entered the COVID-19 Control - Red zone. These restrictions have impacted sport organizations including minor hockey. The Hamilton Jr. Bulldogs and Hamilton Huskies Hockey Club have collectively made the difficult decision to “PAUSE” our programs for the remainder of 2020. Player safety and well-being is our number one priority. We recognize the impact of this decision on players, families and coaches.

The COVID-19 restrictions are rapidly evolving as Public Health and the Province of Ontario continue to monitor numbers. Each organization will be sending further information to our respective families in the coming weeks on the potential scenarios moving into 2021. We will continue to communicate any further changes in programming.

We thank you for your patience, support, and understanding during these difficult times.

Yours in Hockey,

Mike Spadafora
Hamilton Huskies

Adam Syring
Hamilton Jr Bulldogs
