Re: Stoney Creek & Hamilton Huskies Shared Boundaries

To: Hamilton Huskies

This information Bulletin has been provided to offer clarification on the Stoney Creek and Hamilton Huskies Boundaries that were originally established for the 2019-20 Season.

In March 2020, the hockey season came to an abrupt end due to the COVID-19 virus. In the following 2020-21 season, the OHF Return to Play Policy restricted movement whereby participants had to register in the Association that they participated with in 2019-20. For those who were involved in any form of movement i.e. NRP, F1 Form Waiver or agreements with Stoney Creek and Hamilton Huskies, the participant was provided with the option to play where they registered in 2019-20 or return home for the 2020-21 season.

In May of 2021, the OHF issued [Bulletin ID: 21-031 - 2021-2022 OHF Programming](#) and indicated in point 4:

- *Any and all programming and agreements on the operations of programs between organizations of different Members that were in place during the 2019-2020 and 2020-2021 season will continue for the 2021-2022 season.*

Thus, as per Bulletin ID: 21-031, the Stoney Creek and Hamilton Huskies Boundaries agreement will continue for the 2021-22 Season.

Questions may be directed to [Vice President Region #1](#).
